

### **San José City Tour ( in the morning or afternoon )**

Starting on the East side of San Jose, the first thing we will see is Democracy Plaza, the National Museum, the National Court, Los Yoses, San Pedro Mall, Hispanidad Fountain and the Rodrigo Facio Campus on the University of Costa Rica.

After we have seen the capital's main attractions, our first stop will be in the impressive Pre-Columbian Gold Museum and in the beautiful National Theater where we will have a guided visit tour through these cultural gems.

After our visit, the tour continues through the western section of San Jose: La Sabana Metropolitan Park (first International Airport in Costa Rica), Costa Rican Contemporary Art Museum, the National Gymnasium, the Comptroller's office, the residential area in Rohrmoser, the Nunciatura, the Nobel Peace Prize Winner and Republic President Oscar Arias Sanchez's home, the Rohrmoser Boulevard and Pavas section.

At the end of the tour, you will have the opportunity of visiting an interesting shopping place where you will be able to buy souvenirs from your visit to San Jose. On Sunday, the National Theater is closed so we will only be able to see it from the outside.
