

Lankester Gardens & Orosi Valley
(ONE DAY)

After our visit to the Basílica de Los Angeles we will drive to the Lankester Gardens. The Lankester Gardens are a Tropical Paradise featuring over 800 varieties of exotic orchids, various tropical flowers, and plant life. This tour continues with a ride through the unique beauty of the famous Orosi Valley and Reventazón River.

The area is noted for its rich soil, abundant plant life, and the outstanding coffee plantations. We will have a stop for lunch in a restaurant surrounded by beautiful coffee plantations and an excellent view to the Cachí Lake. Along the way, we will visit one of the oldest colonial churches and see the enchanting "Dreamers House".

Suggested Equipment: sweater, camera, binoculars, comfortable walking shoes and rain coat.

Include: transportation, guide, lunch.
